

TSA Pre✓ Application Program

The TSA Pre✓® application program allows eligible travelers the opportunity to receive expedited screening at more than 180 participating U.S. airports while traveling on 19 participating airlines.

How to Apply

Step 1: Visit tsa.gov to learn more about the TSA Pre✓® application program. You can pre-enroll and make an appointment online or walk-in at an application center to apply.

Step 2: To apply for TSA Pre✓®, travelers must go in person to an application center to provide required information, documentation and fingerprints.

Step 3: Applicants pay a non-refundable \$85 fee to cover the cost of background checks.

Step 4: Applicants will receive a written notice via U.S. mail within two to three weeks. If eligible, a known traveler number will be provided.

Step 5: Travelers with a known traveler number begin to enjoy expedited screening at participating airports nationwide.

Step 6: Add the known traveler number to each participating airline profile or provide it when making air travel reservations. The name used when applying for TSA Pre✓® must match the name used when booking travel.
